

Dancers will need a snack and lunch everyday. Dancers also need to bring in a plain white T-shirt to create their unique costume. They can wear dance clothes or just wear clothes they can move in. If they have dance shoes they can bring them. Dance shoes are not required.

A dance program suited especially for your young dancer! The curriculum includes basic dance techniques as well as arts and crafts! Each week, the dancers will have a theme for their show. For example, perhaps a super hero week. They will make their own props and costumes to become superheroes for their show at the end of the week. EACH FRIDAY will be a show 12:30 and 3:30.
